

Northwest Florida is many things to many people. Its stunning shorelines, fresh air and abundant wildlife make this an enticing place to live. It's the part of the world we choose to call home. But we are not alone. Developers have moved to the area in droves and their actions continues to threaten the balance of our fragile surroundings.

YOU CAN HELP

Join APECO and you take a stand against developers who are carving up our land piece-by-piece. APECO is a not-for-profit membership organization which focuses on environmental concerns that face North Florida's coastal watersheds. Your membership fees will go to assist numerous programs run by concerned members and a small staff who - like you - care enough to take action. Manatee Watch, Sea Turtle Patrol, Smart Growth Initiatives, Concerned Citizens Groups, Beach Protection and Dune Restoration are just a few of the programs we support.

YOU DO HAVE A VOICE

Help us to keep our wildlife plentiful and the environment beautiful. Please fill out the enclosed application to join today.
