 Membership

The First Tee of Meridian is a youth development program, one of 274 nationwide chapters. While golf is the tool, The First Tee is more than a game

LIFE SKILLS EXPERIENCE

As The First Tee realized its potential to impact the lives of young people and their communities, character-education of youth became the focus.

The life skills experience was created to instill in young people important values inherent in the game of golf. Participants learn how these values displayed on the golf course can transfer to other parts of their life.

The First Tee of Meridian thanks Mississippi Development Authority for being its inaugural corporate member
