

The Nickelby Project is a non-profit foundation that strives to bring **HOPE** and **COMFORT** to ill children and their families through the delivery of gift bags.

Join US by providing:

- Gift items and gift bags.
- Child and family entertainment items for hospitals, including books, DVDs and videotapes, DVD and video players, video games and game systems, and computers.
- A donation for a new scholarship program for childhood cancer survivors or adults who plan a career in pediatric oncology.

For more information call or visit our website.
