# Call for artists

Discover what Saluda Shoals Park inspires in you. Come create your art — visual, sculptural, literary or performance — amidst wooded trails that wind along the banks of the Saluda River. The serene natural setting provides the perfect environment for your expression, and a true gift to local residents as they witness your blending of art and nature.

A select group of artists will be invited to participate in **unearth 2008**, calling on the bountiful natural resources of Saluda Shoals as a worthy muse. Activities may include but are not limited to:

Art instruction and interpretation  
Musical/dance performances  
Theatrical vignettes  
Poetry readings

To be considered for inclusion in this unique artistic endeavor, please complete the Artist Application and forward it, along with 3-5 slides, photos or digital images of your work, to Saluda Shoals Foundation by June 15, 2008.

**Mail completed application and samples to:**
